The Stations offer unpaid internships for college credit to college students. Any college student is eligible to apply for the internships. The internships are available for the Spring, Summer and Fall semesters. Each candidate is interviewed by Station Management. The number of interns selected depends upon the number of applicants and the projected colleges and universities to locate eligible and interested students. Some of the duties an intern may perform include, but are not limited to the following: music research, on-air board operation, clerical work, phone answering, accompanying announcers on remote broadcasts, assisting with promotion duties, commercial writing, production of commercials, music scheduling, call screening and scheduling of guests.
